The MU Police Department offers the following general safety tips:

- Individuals should always trust their instincts. If an individual feels uneasy or senses something is wrong, they should do what they can to get out of the situation.
- Have a companion or a safe means of getting home, i.e., a trusted friend, taxi or STRIPES if available. The MU Police Department is available to provide safety escorts on campus 24 hours a day. Call 573-882-7201. These escorts are not vehicle escorts and are provided by an unarmed security officer who will walk individuals to their destination.

- Consider taking a [R.A.D. Basic Self Defense](#) class through MUPD.
- Walk with others or make arrangements to leave a destination with others.

- Check in with a friend or family member and let them know that you are leaving/arriving so they are aware of any plans.
